

Sally,

Frog and Toad was amazing today. My students had an exceptional experience. They were BLOWN away by the talented performance! I had two parents send me messages of gratitude. One parent said "I haven't been able to take my son to a performance because we don't have enough money. This was the first time in his life he has seen something like this. Thank you for the magical experience" another parent said "I never feel like I have enough support to take my son to anything like this because I'm nervous of his behavior. You gave us the chance to feel supported and secure while enjoying the show. It was a special day for us both".

It honestly brought tears to my eyes seeing the kids enjoy the play. Thank you for the opportunity and I know these students and parents won't forget it.
