SOROPTIMIST®
Investing in Dreams

Welcome to Soroptimist International of Bidwell Rancho-Chico!

We are pleased that you have chosen to become a member of our club.

Joining a new club is very exciting, but at times can be overwhelming. This Orientation Guide has been developed to help you become acquainted with our club and answer many of your initial questions.

Our mission is to provide women and girls with access to the education and training they need to achieve economic empowerment. You are an important part of this process because your service directly influences our club's reputation.

Soroptimist membership celebrates the unique power of women. It's a gift that women give to themselves; the chance to help others in an atmosphere of support, friendship and fun.

We are glad you have joined us, and we hope you will find your service to be both challenging and rewarding. We wish you many years of enjoyable service through Soroptimist.

History

When a new member joins our local club, she also becomes a part of Soroptimist International (SI), *“a global voice for women through awareness, advocacy, and action with over 95,000 members in 120 countries.”* It all started with the founding of the first club in 1921 in Oakland, California. The Founder President was Violet Richardson Ward. In the first constitution, the purpose of the organization was:

“To foster the spirit of service as the basis of all worthy enterprises and to increase the efficiency by its members in the pursuit of their occupations by broadening their interest in the social, business, and civic affairs of the community through an association of women representing different occupations.”

The idea that executive, business, and professional women could join together to provide service spread quickly around the world. In 1924, the first clubs in Europe were chartered, while new clubs in North America formed rapidly. By 1928, there were enough clubs to form two Federations - American and European. By 1978, 55 countries had clubs throughout the world.

Soroptimist International now consists of four Federations: **Americas (SIA)**, **Europe (SIE)**, **Great Britain (SIGBI)**, and **South West Pacific (SISV)**. Today, after 103 years, Soroptimist International is the largest women’s service organization in the world.

Soroptimist Development Retreat (SDR):

An annual retreat held each summer in the Sierra Nevada Region. All members are welcome to come and join in the camaraderie, sharing and training regarding how to maintain healthy clubs. A Little About Our Club

Soroptimist International of Bidwell Rancho-Chico (SI/Bidwell Rancho) is one of two Soroptimist clubs active in Chico. We are a charter club of Soroptimist International, a worldwide volunteer organization for professional women. We were granted a charter by Soroptimist International on June 29, 1987.

SI/Bidwell Rancho is a sisterhood of local women invested in the mission of making our community and the world a better place for women and girls. Through participation in the programs and service projects of Soroptimist International, SI/Bidwell Rancho offers its members an opportunity to contribute their talents and volunteer time to community service.

We are a small club, but are doing enormous work that enriches the lives of other women. Our *Microbrew Festival* had been our only fundraiser. All proceeds from our fundraisers enables us to fund numerous community service projects throughout the year. Our *Community Awards* programs are another way that we exhibit our core values of improving the lives of women and girls and give back to our community.

Our members find they are personally enriching their lives while working to provide resources to help women and girls achieve their potential and improve their lives.

Together our members become a local and a global voice for women and girls at home and around the world and we have fun together doing it.

Nominating Committee: A club committee charged with presenting a slate of candidates for the coming year's board of directors/officers. In most clubs, the committee is comprised of three members - one elected by the membership, one elected by the board, and one appointed by the club President. - Improve educational and training resources for women and girls.
- Increase positive outlets for girls and young women.
- Improve women and girls' health care and access to services.
- Decrease violence and human rights abuses against women and girls.
- Improve conditions for working women.
- Increase the number of women in workplace leadership positions.

President: Clubs have Presidents, SIA has a President, SI has a President; Regions have Governors and Districts have Directors.

President's Appeal: In honor of United Nations Human Rights Day, December 10, the current Soroptimist International president invites all Soroptimists to join her in making a personal sacrifice and donating the money to an international fund to help those living in extreme poverty. Each year, the current SIA president announces her project.

Dream it, Be it!

Soroptimist's global program for girls – Dream It, Be It: Career Support for Girls – targets girls in secondary school who face obstacles to their future success. It provides girls with access to professional role models, career education and resources to live their dreams. Career support includes help and assistance to pursue an occupation that will offer opportunities for long-term success. Although we don't think all girls will know what they want to do for the rest of their lives, the skills they learn in Dream It, Be It will help them regardless of the career they choose to pursue or when they choose to pursue it.

Program Goal: Through education and access to role models, girls will be empowered to pursue their career goals and reach their full potential.
