

What's Expected of You?

BASIC RESPONSIBILITIES:

- **Getting Involved** – Individuals join Soroptimist because of a desire to “get involved”. Members are expected to share their time and talent.
- **Attending Meetings** – Being a regular attendee at meetings and club functions is important. Members should try to attend as often as possible in this busy world of ours. Our club meets the second and fourth Tuesdays of each month to better accommodate members’ schedules.
- **Recruiting Members** – An easy responsibility for every member relates to recruitment of new members. Members are encouraged to bring in a new Soroptimist as often as possible.
- **Paying Dues** – Paying your club treasurer on or before the due date allows your club to remain in good standing both with the region and with the federation.
- **Participating in Fund Raisers** – Members owe it to their club to be part of the action when it comes to working at these functions. After all, a key goal of Soroptimist relates to raising funds for service projects.
- **Leading and Supporting** – Take a position of leadership in your club. Accept leadership challenges and support others who have also accepted leadership roles.
- **Sharing Friendships** – Enjoy the support and friendship that your club membership can offer and make an effort to know all of your club’s members.
